

March 20, 2024

In honor of the 60th anniversary of BSUIR, many events took place last week.

The festivities of the week were opened by the X International Scientific and Practical Conference “BIG DATA and Advanced Analytics”.

On March 13, the conference brought together 250+ representatives of scientific and educational institutions, ministries and IT companies from Belarus, Russia, China, Kazakhstan, Serbia and Vietnam to discuss current issues related to big data processing and advanced analytics.

The conference proceedings contain 150+ reports on such current topics as:

- use of BIG DATA and Advanced Analytics, as well as Data Science to optimize IT, production and business solutions;
- BIG DATA and Advanced Analytics in medicine and education.

The week ended with a ceremonial meeting of the University Council and a festive concert. BSUIR Rector Vadim Bogush delivered congratulations and a welcoming speech to his colleagues, students, and staff.

At the meeting of the University Council, Certificates of Honor from the Ministry of Education of the Republic of Belarus and golden badges "For services to BSUIR" were awarded. The head of the Administration of the Sovetsky District of Minsk, Sergei Khilman, awarded the university employees with Certificates of Honor from the Minsk City Executive Committee and the Administration of the Sovetsky District of Minsk.

The invited guests, in turn, expressed words of gratitude for the cooperation, congratulations on the 60th anniversary of MRI-BSUIR and presented memorable gifts to the Rector. Moreover, those present congratulated Academician Vladimir Labunov on his 85th anniversary and thanked him for his many years of mentorship and a wonderful example.

The First Vice-Rector of MIREA - Russian Technological University Nikolay Prokopov; Vice-Rector of the National Research Nuclear University "MEPhI" Nikolay Kargin; Vice-Rector for Science of the National Research University "MIET" Sergei Gavrilov; Vice-Rector of Dalian Polytechnic University Wang Bo; Rector of the Tajik State Medical University named after Abuali ibni Sino, Chairman of the Council of Rectors of the Republic of Tajikistan Gulzoda Mahmadzhoh; Head of the Department of the Assembly of the People of Kazakhstan at the L.N.Gumilyov Eurasian National University Natalia Kalashnikova and others congratulated BSUIR and Academician Labunov.

The creative program included numerous musical performances, including performances by a folk brass orchestra, Belarusian pop artists, and dance groups.

Another important event was the opening of the BSUIR Scientific and Educational Innovation Center. The honorary mission of cutting the ribbon was performed by the Head of the Department of Science and Innovation of the Ministry of Education of the Republic of Belarus P. Pekutko, the Rector of BSUIR V. Bogush. and Chairman of the Council of Young Scientists of the University A. Feshchenko.

After the event, the university Rector gave a tour of the new exhibition pavilion, where high-tech and knowledge-intensive developments of BSUIR, which are used by domestic enterprises and exported outside of Belarus, were presented.
