April 20, 2022

BSUIR took active part in the St. Petersburg State Electrotechnical University "LETI" conference.

April 14, 2022 on the basis of the St. Petersburg State Electrotechnical University "LETI" named after. V.I. Ulyanov (Lenin) the XXVIII International Scientific and Methodological Conference "Modern Education: content, technology, and quality". The topic of the conference is "Independent qualification evaluation: problems and perspectives".

BSUIR is the co-organizer of the conference since 2019. This year, BSUIR representatives took active part in the work of the conference. They made plenary reports and introduced sectional reports.

Vice-Rector for Education Evgeni Shneiderov opened the plenary session with the "Monitoring of Educational Process in E-learning University Systems" report. The meeting ended with a report by the Director of the Institute of Information Technologies of BSUIR Alexey Okhrimenko on approaches to personnel operation in the conditions of digital transformation.
