Summary

I International Security Industry Exhibition "National Security. Belarus-2022"

The exhibition "NSB-2022" took place on June 22-25, 2022 in Minsk/Выставка «НББ-2022». Several thousand specialists, delegations, and honorable guests from Belarus, Russian, Kazakhstan, UAE, Vietnam, and other countries visited the exhibition in 4 days' period.

At the exhibition BSUIR introduced high-tech developments in the field of microwave technologies, communications and navigation, electromagnetic compatibility of radio-electronic means and information security. BSUIR stand was visited by the Minister of Education of the Republic of Belarus Andrey Ivanets, Sergey Shlychkov, Chairman of the State Committee for Science and Technology, representatives of various companies and departments, including official representatives of the Russian Federation. Based on the results of participation in the exhibition, BSUIR was awarded a diploma.
