CALL FOR JOINT BELARUSIAN-CHINESE SCIENTIFIC PROJECTS "BRFFR-NSFC-2025"

The Belarusian Republican Foundation for Fundamental Research and the National Natural Science Foundation of China had announced a call for joint scientific projects "BRFFR-NSFC-2025" in the following priority areas:

- physics, mathematics, computer science;
- technical sciences;
- chemistry and Earth Sciences;
- medical and pharmaceutical sciences;
- agricultural and biological sciences.

To participate in the competition, each party must submit an application to the appropriate organization: Belarusian participants – to BRFFR before June 13, 2024, Chinese participants – to NSFC (the deadline will be set by the NSFC).

More about the call for joint scientific projects "BRFFR-NSFC-2025" for Belarusian participants is available on the [website](#).
