BSUIR in the TOP-500 in the world University Ranking RANKPRO

BSUIR entered the Top 500 universities in the world university ranking RankPro.

The RankPro-2024 ranking covers 8 subject areas: physics, astronomy, biological sciences, geosciences, chemical sciences, medicine and health, mathematics, engineering and technology, humanities.

BSUIR is included in the top 500 universities in the world in the subject area “Engineering and Technology”, taking the position 401–450.

It should be noted that this year, in the general RankPro ranking, **BSUIR entered the Top 1000 and took 842nd position**, and 345nd among the European universities.

Worldwide Professional University Rankings RankPro is a world professional ranking issued by the International Council of Scientists in the frames of the Global World Communicator program.

The ranking consists of three ranking directions:

- academic capabilities of the university (assesses the student and academic staff of the university),
- BC-Index (assesses the availability of information on the English version of the university website),
- national and international reputation (assesses the positions of universities in global and national rankings and the results of an expert survey of members of the International Council of Scientists).
